

Czech Culture  
and Education Foundation  
of Nebraska

January, 2025

# Newsletter

The Czech Culture and Education Foundation of Nebraska strives to promote Czech cultural and educational events, through an endowment fund, in order to facilitate cooperation, awareness and cohesion among all Czech entities or persons with Czech interest.

## Dolnemcanka

The Dolnemcanka Tour was a huge success, being very well attended and a fantastic way to kick off our foundation's inaugural event, to raise awareness of our mission. A huge thank you to all involved, way too many to list here. We had so many people host band members in their homes, provide meals, provide food, provide monetary donations etc. It was amazing to see the support at all the venues, the excitement of the audiences and the interaction with the performers. I hope that type of support continues in the future. Please say thank you to those that contributed and to our major sponsors: Abie's Place, Heart of the Woods Sawmill, Sokol Omaha, TJ Sokol Wilber, Steve Steager, Realtor with Don Peterson & Associates.

## Membership

We are currently up to 48 members, 3 being Gold level businesses. Please continue to spread the word to other people or businesses you know that may be interested in our mission of continuing the Czech Culture and Education in Nebraska. Please consider leaving CCEFN as a recipient to part of your estate, every little bit helps as we build this foundation.

## Banquet

Exciting Announcement: The First Ever Czech Culture & Education Foundation Banquet!

We are thrilled to invite you to a truly special evening celebrating the rich heritage of Czech culture and the vital role of education in preserving it. Join us for the inaugural Czech Culture & Education Foundation Banquet, an unforgettable night filled with delicious food, lively entertainment, and a deep sense of community.
